June 29, 2020

Scouting Friends, Family and Supporters:

Baltimore Area Council (BAC) leadership continues to monitor developments from local, state, and national authorities as it relates to the continual reopening of in-person Scouting activities and events.

The BAC COVID-19 Task Force supports implementation of the following amendments to our current operations, last updated on June 20th:

- **The Council Service Center will be open to visitors and customers 8:30 AM – 4:30 PM beginning Monday, July 6, with the following implementations:**
 - Face coverings will be mandatory to enter the building
 - A brief survey will be conducted upon entry to the building
 - In order to curtail the spread of infection, anyone responding positively to any survey question will not be admitted into the building
 - Meeting rooms are available with limited capacity; virtual meetings are encouraged when possible
 - Visitors must maintain physical distancing when possible
- **Family Camping at Broad Creek Memorial Scout Reservation will open effective July 3 for members of the same household, with access to activities such as fishing and hiking. Reservations can be made by visiting www.broadcreekbsa.org.**
- **All three Scout Shops are now open, with modified hours and procedures in place. Full details are available [here](#).**
- **In-person unit-level activities may resume upon the approval and support of the chartering organization, and while following local, state, and CDC guidelines. The helpful Restart Scouting Checklist is available [here](#).**
- **Until further notice, District- and Council-level in-person events are postponed or cancelled. The full calendar of events is available [here](#).**

Our council staff will continue to be available to provide service via email, phone and videoconferencing. Continual updates are available at www.baltimoreBSA.org/COVID-19.
