

# Jingle Bell Beaver Day 2020

**Broad Creek Memorial Scout Reservation**

Camp Staff, Scouts, Scouters, Ventures, Sea Scouts

**\*Saturday January 2, 2021. 8:30 AM – 5:00PM\***

**Rain, snow, hail, or shine**

All the excitement of sprucing up Broad Creek begins at Rosenberg Welcome Center at 8:30AM. We'll begin the day with donuts, coffee, and juice while we get you signed in, and assigned to a work crew. Then, it's off to work till 12:00 noon where we'll have gallons of homemade soups, and food provided by the Broad Creek Alumni Association! We wrap up by 5:00PM.

We have projects for everyone's skill level. We change light bulbs, repair rowboats, repair canvas tents, repair picnic tables, clean gutters, flush water heaters, cut & split firewood, clean coils on refrigerators, clean chimneys, pressure wash buildings, perform trail work, seal dining tables and benches, and more. (To operate a power tool, or climb a ladder, you must be at least age 18)

We would prefer to assign volunteers to projects before the event, but walk-ins are welcome – and will have jobs assigned to them. Every year we have over 125 people come out to help improve Broad Creek!

If you have a trade talent, specialized tools, or materials let us know. We want to match your talents to our needs. Also, if you have any food allergies, please let us know as well.

For a full list of projects, and to register for the event, find us at [www.broadcreekbsa.org/jbbd](http://www.broadcreekbsa.org/jbbd) Or, contact George Mader our volunteer coordinator at [Mader1@rocketmail.com](mailto:Mader1@rocketmail.com).
