

## Membership – February Membership Update

Welcoming, retaining and advancing Membership is a year round process and everyone plays a part!

**Arrow of Light transition to Scouts BSA:** All AOL's should prepare for their transition to Scouts BSA by visiting multiple Troops and finding the right fit for them! For help locating the troops in your area, reach out to your District Executive, District Commissioner, or Membership Chair. For more information, click [HERE](#).

**Save A Scout:** Each year our District Membership Teams and Commissioners work to connect with each Scout who may have left the program during the prior year. The goal is to invite them back to Scouting. If you are interested in helping with this effort, please contact Brendan Canale at [Bcanale@baltimorebsa.org](mailto:Bcanale@baltimorebsa.org).

### **Recruiting and how to use BeAScout.org!**
