

2022 PHILMONT COUNCIL CONTINGENT OPENINGS

The Baltimore Area Council will send two Council Contingents to Philmont during the summer of 2022. The Contingent dates are July 5-18, 2022, and July 19-20, 2022. Going with Baltimore Area Council is a great way to eliminate the hassle of travel and logistics planning and enjoy the camaraderie of your fellow Scouts and Scouters representing the Baltimore Area Council.

Philmont requires a minimum crew size of 8 (maximum 12) including, three adults (maximum of 4). The majority of the crew must be youth, which Philmont defines as under the age of 21. Units with less than 8 participants can also join the contingent by filling out the application and requesting to be combined with another partial crew. Applications for the BAC 2022 Philmont contingents will be available on February 1st. To receive an application for a full or partial crew slot, please email Mimi Hatch, the 2022 Council Contingent Leader at, mhatch@bacphilmont.org.

2022 PHILMONT OPPORTUNITIES FOR INDIVIDUAL BOY SCOUTS & VENTURERS

The Baltimore Area Council provides opportunities for individual Boy Scouts and Venturers to join existing Philmont crews from our Council contingent that are seeking additional youth. Please note that provisional opportunities are typically limited to youth and not adults. Whenever possible, a youth is placed in a contingent crew that is in or close to his own Scouting district to facilitate crew meetings and shakedown. Provisional youth are also matched to crews by age and backpacking experience, if possible. If multiple Scouts from the same unit want to attend Philmont, they will be placed in a crew together. To receive more information on being placed in a 2022 Philmont crew with a Baltimore Area Council troop or Venturing crew, please email Mimi Hatch, the 2022 Council Contingent Leader at, mhatch@bacphilmont.org.
