

National Pike – February Update

February is Scout Anniversary Month. Scout Anniversary day is February 8th, Scout Sunday is February 7th, and Scout Sabbath is February 5th. Uniformed Scouts will greet congregations then the Scout Oath is recited in churches and synagogues nationwide. Some units will participate in service projects. Others may celebrate on different days in February as designated by their faith-based organizations. No matter how Scouts celebrate Scout Sunday and Scout Sabbath, all Scouters unite in lifelong religious reverence this month.

2021 Klondike Derby – A Self-Serve Event

WHAT is the 2021 Klondike Derby?

Cub Scout Trail: Cub Scouts learn about the 1898 Klondike Gold Rush while having fun and playing games! The Cub Scout Trail is intended for Lions, Tigers, Wolves, Bears, and first-year Webelos (Webelos dens have the option to attend the Scout Trail). Unlike previous years, the 2021 Klondike Derby will not be conducted at a local park with a large number of attendees. Due to COVID-19 restrictions, a Cub Scout den is encouraged to conduct the Klondike Derby at a local venue using resources, references, and ideas provided by the organizers of the Cub Scout Trail. The Dens can conduct their event over a single day or over multiple meetings. Den leaders must follow all BSA guidance on meetings to minimize the risk of COVID-19.

Scout Trail: The Scout Trail is intended for Webelos Scouts, Arrow of Light (AOL) dens, and Scouts below the rank of First Class. The Scout trail allows dens to learn and demonstrate skills they will need in Scouting, including skills required for the rank of First Class Scout. Unlike previous years, the 2021 Klondike Derby will not be conducted at a local park with large numbers of attendees. Due to COVID-19 restrictions, Webelos and AOL dens are encouraged to conduct the Klondike Derby at a local venue where they can learn and demonstrate Scouting skills using resources and references provided by the organizers of the Scout Trail. Local Scout Troops will be available to instruct the Den Leader on Scout skills, which the Den Leader will pass along to their den. The Den can conduct their event over a single day or over multiple meetings. Den leaders must follow all BSA guidance on meetings to minimize the risk of COVID-19.
