

Harford – February Update

Hello from the Harford District!

District Updates

Things are revving up in Harford; there is an exciting opportunity to participate in an online stem day in partnership with the Army Research Lab. There will be more information about how to register to come. Please note that this is a two-part session and that scouts must attend both sessions to complete the badge. The first session is on February 20th, and the second session will be on March 27th.

January Recap:

FOS: As of right now, we stand at \$3,975. Thank you to everyone who has pledged already and joined me in supporting the Scouting Movement in Harford county. If you have not pledged your support, please consider giving to this worthy cause where the donations go to support local Scouting within Harford county and the Baltimore region.

Program: Harford District was pleased and proud to put on its first in-person district event since the pandemic began in March. Harford hosted scouts at Broad Creek Memorial Scout Reservation on January 22-24 for Icicle.

Membership: Harford was able to renew 44/47 units this year, this is a huge achievement during the Covid era, and the district looks forward to hearing about the adventures the Scouts will be having.

Harford welcomed a new year, and it looks forward to what the rest of 2021 will bring. Stay tuned for more information!
