World Bureau Vision

"By 2023, Scouting will be the world's leading educational youth movement, enabling 100 million young people to be active citizens creating positive change in their communities and in the world based on shared values."

BAC International Representative Update

After many years of cheerful service, Charlie Morgan has made the difficult decision to step away as the International Representative for the Baltimore Area Council. We'd like to thank Charlie for his efforts in promoting International Scouting and look forward to his continued involvement as a member of the International Committee. Please join us in congratulating Joe Scott, our current Chairman, as he steps up to also become our newest International Representative for the BAC!
