

_____ has my permission to attend the Youth “LOCK-IN” at First-Centenary United Methodist Church. This event begins at 10:30 p.m. Friday, February 21st and ends at 7:30 a.m. on Saturday, February 22nd. The Lock-In is for both Middle School and High School Youth. We are asking students to pay \$15 to cover costs of food and supplies and as a fundraiser for our Romania mission trip.

In case of an accident/emergency, I give my permission for my child to be treated by a duly licensed doctor/physician of an adult youth worker’s choosing. I also agree to pick my child up if he/she behaves in a way deemed inappropriate by our youth leaders. I also agree to allow pictures and video of my child/children to be taken during this event and used for promotional purposes by the church.
