Mondays

K-2 STEM (Mondays)
Grades: K-2
Bring your imagination to further your love of science, technology, engineering and math fun in our after school STEM Clubs! Students will create, construct, design, and engineer different projects each week as they work together to problem solve and think critically about various challenges. STEM challenges will be designed based on grade level bands using a variety of different materials and resources!

Angel Choir (Mondays)
Grades: K-2
We are so looking forward to the Angel Choir this fall with Ms. Berry. Please have your little angels consider joining our Angel Choir as they practice church songs, popular tunes, and prepare for their annual Christms concert in December!

After School Art (Mondays)
Grades K-2
It's time to paint, design, sculpt, and create with Miss Greene and Mrs. O'Brien during After School Art! Students will be able to use their imagination and creativity as they work on weekly projects and take their art skills to the next level. This is a great creative outlet for learners of all ages, and we hope your child will join us!

Math HW Club (Mondays)
Grade: 5
Calling all 5th graders! Come join Mr. Markley on Monday afternoons for math homework support and reinforcement! This club will meet with Mr. Markley on Mondays to work on nightly math homework assignments, review and strengthen skills reviewed during the week. Please note that this semester the club will run from 3:15-4:00.

School Newspaper (Mondays)
Grades 3-8
Extra, extra read all about it! Calling all 3rd-8th grade writers! Come write, edit, interview, photograph and illustrate with us on Monday afternoons as we publish *The Paw Print Post*. Students will work together to create an online school newspaper that covers CYO news, interviews teachers and students, features school events, and highlights our amazing community. *The Paw Print Post* will be coming to a classroom near you!

Podcast Club (Mondays)
Grades 5-8
Students will write, produce, record, and edit a monthly podcast interviewing local and national figures about what it takes to succeed in today's world (or their particular industry) while still maintaining your morals and values. The club will start recruiting guests for interviews from our own community and branch out from there!

Tuesdays

Swifties Bauble Club (Tuesdays)
Grades K-2
Calling all Swifties! Come join Ms. Albertson and Miss McCaffrey on Tuesdays for the Swifties Bauble Club. Students will celebrate friendship, jam out to Taylor Swift, and create bracelets, necklaces, and accessories with beads.

Soccer Club (Tuesdays)
Grades 2-5
Goal! Who is ready to perfect their corner kick? Join Mr. Andrews and Mr. Ramirez this fall to strength train, practice your soccer skills, and scrimmage fellow students.

K-3 HW Club (Tuesdays)
Grades K-3
Come with your friends and work on homework assignments with small group support from Mrs. Murphy and Mrs. Courtis. Students will also play educational games, practice IXL, and explore bulldogbites in a quiet place with your buds.

Children's Choir + Cantors (Tuesdays)
Grades 3-8
Children's Choir and Cantors are back with Ms. Berry and Ms. MacLeod, and better than ever! Join our talented musical directors each week for Children's Choir, and cantor positions for middle schoolers! The spring concert date is 5/16!

Craft Club (Tuesdays)
Grades 3-8

Let’s get crafty! Join Ms. Sutherland every Tuesday afternoon for an hour of creativity, construction, and fun with weekly craft projects and design opportunities.

Yearbook Club (Tuesdays)
Grades 8
Photos, captions, poems, quotes, and more! Calling all 8th graders! Join Mrs. Tobin on Tuesday afternoons in creating the school’s annual yearbook. You’ll work together to promote all the wonderful happenings in our community for the 2024-2025 school year.

Wednesdays

K-2 STEM (Wednesdays)
Grades K-2
Bring your imagination to further your love of science, technology, engineering and math fun in our after school STEM Clubs! Students will create, construct, design, and engineer different projects each week as they work together to problem solve and think critically about various challenges. STEM challenges will be designed based on grade level bands using a variety of different materials and resources!

3-5 STEM (Wednesdays)
Grades 3-5
Bring your imagination to further your love of science, technology, engineering and math fun in our after school STEM Clubs! Students will create, construct, design, and engineer different projects each week as they work together to problem solve and think critically about various challenges. STEM challenges will be designed based on grade level bands using a variety of different materials and resources!

Get Up + Move Club (Wednesdays)
Grades 1-4
Join Mrs. Cunningham and Mrs. Tropea on Wednesday afternoons! Using music, yoga, exercises, and games you’ll focus on coordination, balance, strength and control. Students will leave feeling empowered, energetic, and fit!

Math HW Club (Wednesdays)
Grade: 5
Calling all 5th graders! Come join Mr. Markley on Wednesday afternoons for math homework support and reinforcement! This club will meet with Mr. Markley on Wednesdays to review and strengthen skills reviewed during the week. Please note that this semester the club will run fro 3:15-4:00.

Middle School HW Club (Wednesdays)
Grades 6-8

Come with your friends and work on homework with two of middle school's finest, Senora Guitart and Mrs. Tobin Study for quizzes, get a little extra help, and crank out your homework on Tuesday afternoons in a quiet place with your buds.

Ceramics (Wednesdays)

Grades: 3-8

This is a beginner/intermediate class. In this after school art club, students will learn about pinching, coiling and slab-building in order to create beautiful hand built pottery. This is a guided beginners pottery class. We will use the clay tools, pottery glazes and the kiln. Students will also create a Christmas platter and practice on a pottery wheel in this session.

Speech and Debate Club (Wednesdays)
Grades 6-8
Debate is back! The Debate Club is a great way for your middle schooler to explore the art of "organized arguing!" Join Ms. Lincoln on Wednesdays to practice your oral speaking skills and participate in mock debates. They will focus on research, articulate arguments, and clarify their own ideas!

Thursdays

Chess Wizards (Thursdays)
Grades: 1-8
Join Chess Wizards this year for challenging chess lessons, exciting tournaments, fun, team activities, and more! If you're brand new to chess, we'll teach you the basics and get you playing right away. If you're a seasoned chess player, we'll show you new ways to let your creativity show on the chess board!
*Sign-ups are through the Chess Wizards website, not through the BSS website. For more information, please check the flier in the Weekly.
