The Pines Foundation

Dear friends and neighbors,

As the 2022 season winds down, we ask that you include **Whyte Hall** in your end-of-year, tax-deductible charitable giving. Your generous gift will support two critical priorities:

1. Providing free and low-cost programming throughout the 2023 season

   We had a record number of bookings at Whyte Hall this season, including events from FIPAP, CoBE, BOFFO, Pines Conservation Society, Pines Care Center, DRA, Northwell Health, Catholic Mass, Episcopal Services, B'nai Olam Services, Yoga Classes and Pines Clean and Dry meetings. For 2023 we are planning another full calendar of programming and are once again waiving rental fees for our treasured Pines Organizations.

2. Ongoing investments to maintain and enhance critical infrastructure

   Whyte Hall is FIPPOA's greatest asset. We are fortunate to have a beautiful building where the community can congregate for diverse events, performances, fundraisers, and meetings. Members of the Pines community generously contributed millions of dollars towards the cost of building Whyte Hall, for which we are forever grateful. We are working hard to ensure it remains a beacon for our community for many years to come.

A donation of any amount helps to make a difference. The Pines Foundation is a 501 c3 organization; your contribution is tax-deductible to the extent permitted by law.
