DO'S

DO check electronics for batteries. If it holds a charge, it has a battery

DO charge your batteries on a hard, non-padded surface

DO take your batteries to a designated drop off location for disposal

DON'TS

DON'T throw your batteries in trash or recycling carts

DON'T continue to use a battery if it appears damaged in any way

DON'T overcharge devices

Find a battery drop off location one at batterysmartspokane.com
