# FOOD DELIVERED WITH SPECIAL MOBILITY SERVICES

Pilot Program  
December 2020  
[www.sms1.org](http://www.sms1.org)

## ABOUT SMS

Spokane Mobility Services (SMS) has sought to solve the mobility needs of our community for over forty years. Now, we're coordinating free food distribution across Spokane county – utilizing volunteers to transport directly to households.

## DESCRIPTION

In collaboration with the Spokane County Food Security Coalition, SMS and our pilot partners were awarded CARES Act funding by the County Commissioners to address the unmet need of folks with mobility issues not having access to emergency food in the wake of the COVID-19.

## OBJECTIVE

We will deliver at least 47,000 pounds of food provided by 2nd Harvest! Feeding 2,000+ families and seniors over the course of December's pilot. We will create the infrastructure to scale for a fully food secure Spokane. Additionally, we will collect the stories of the people who use our program and create a story map to depict how people are affected by food insecurity in our region right now and how they are impacted by our program.

## OPPORTUNITY

COVID-19 has made food insecurity worse. With the help of partners like the The Zone, their dedicated Community Health Workers and holistic approach, translation and ensuring culturally appropriate service, Jewels' Helping Hands and New Hope Resource Center's trusted volunteers, and our allies across Spokane, together we can coordinate the effective distribution of food where it is most needed throughout Spokane County. Together, we too can understand and uplift the stories of those who became food insecure here locally because of COVID-19.

## SOLUTION

We know the need, we have the food, we have the technology, and we have the coordination and collaboration power to solve the food access gaps and meet the needs of food insecure people as identified by coalition partners across Spokane County. Thank you for your help spreading the word!

**CALLING VOLUNTEER DRIVERS  
MONDAY - FRIDAY 1-2 PM**

# Volunteer Drivers Needed!

Help us care for our homebound community members.

Time commitment 45-90 minutes.

**HAVE A CAR & WANT TO DRIVE? JOIN US!  
CALL (509) 990 3010 TO SIGN UP.**

As a volunteer with us, you will deliver 7 food boxes to our food insecure neighbors who have limited mobility and are unable to utilize other food resources. We have 5 pick up locations near you. Grab a friend, or a few—form a pod, and join us! Please register in advance.

**THANK YOU TO  
OUR PARTNERS!**
