

Hello Neighbor!

Keep your parking safe, be neighborly, and stay in compliance! For more information **dial 3-1-1**

To better serve you during Washington State's **Safe Start plan**, Parking Services has **relaxed enforcement of 72 HR time limits** for cars, trucks and motorcycles only. The City continues to serve our community by responding to and monitoring parking complaints, such as:

- **SAFETY HAZARDS**
- **DRIVEWAYS/HYDRANTS**
- **JUNK/HULK VEHICLES**
- **EXPIRED REGISTRATION**
- **OBSTRUCTION ISSUES**
- **NO PARKING ZONES**
- **ON-STREET TIME LIMITED PARKING**

BE AN ON-STREET PARKING PRO

PARK WITH THE FLOW OF TRAFFIC -

Parking in the wrong direction can create a big safety issue with oncoming traffic.

THERE IS A 24 HR LIMIT

For non-passenger vehicles to actively load and unload in neighborhoods.

PARK NEXT TO THE CURB - WITHIN 1 FOOT

If a vehicle makes travel unsafe, or poses a

threat to public safety, it is subject to immediate impoundment.

DON'T FORGET TO PAY FOR PARKING -

Keep that spare change from your coffee and download the Passport Parking app to easily pay for parking touch-free!

NO PARKING ZONES - Pretty self explanatory.

KEEP YOUR VEHICLE REGISTRATION CURRENT

It's 2020, FYI.

DON'T PARK ON CROSSWALKS -

In fact, always park 20 FT away.

DON'T PARK ON SIDEWALKS -

Sidewalks are for pedestrian traffic only and doggos.

DON'T BLOCK DRIVEWAYS -

Always park at least 5 FT away from any driveway opening.

PARK 30 FT BACK FROM ALL INTERSECTIONS -

That includes stop and yield signs too.

PARK 15 FT AWAY FROM FIRE HYDRANTS and

definitely don't block them.

JUNK/HULK VEHICLES -

These are typically vehicles missing major parts, heavily damaged, or inoperable. Don't park or repair vehicles on the street.

Any other questions / concerns?
