A PROGRAM OF A PRECIOUS CHILD

Corporate Challenge 2019

Help Prepare a Child for School

WHAT IS THE FILL A BACKPACK PROGRAM?

Fill A Backpack provides backpacks filled with grade-appropriate school supplies to children in need to maximize their academic potential.

PUT YOURSELF IN THEIR SHOES

Imagine: It's the first day of school. Your friends are having their pictures taken in front of school with their new backpacks. You are embarrassed and hope no one notices you don't have a backpack. You are afraid to go to class because you don't have the required school supplies.

THE NEED

More than 250,000 Colorado children live below the self-sufficiency standard in A Precious Child's eight-county service area. Children in these families often lack the necessary supplies critical to academic achievement. Ensuring that children have the necessary supplies to participate in school can reduce truancy, promote learning and build positive self-esteem.

THE GOAL

Our goal is to provide more than 19,000 children living in the eight Denver Metro counties of Adams, Arapahoe, Boulder, Broomfield, Denver, Douglas, Jefferson and Weld with backpacks filled with grade-appropriate school supplies so they feel empowered in school.

ABOUT THE CORPORATE CHALLENGE

Your corporation is invited to help A Precious Child's Fill A Backpack program by joining in this year's challenge. Can you collect the most school supplies, raise the most funds and increase the most awareness about A Precious Child on social media? All in the spirit of helping children in need! Two Corporate Challenge winners will be announced – one will be determined by the total number of points accumulated and, in an effort to level the playing field and make this competitive for corporations of all sizes, we will also recognize the corporation that has the highest number of total points accumulated divided by the number of employees.
