AT A GLANCE

Dignity. Inspire. Empower. Innovate. Collaborate.

A PRECIOUS CHILD PROVIDES CHILDREN IN NEED

with opportunities and resources to empower them to achieve their full potential. We envision a future where every child grows up to be a secure, self-reliant, contributing member of their community.

BASIC ESSENTIALS AND WRAP-AROUND SERVICES

are provided through our main **Resource Center** in Broomfield and 38 **Satellite Resource Centers** across eight counties. Personalized case management is provided to families to meet the needs of the whole child.

A PRECIOUS CHILD HAS HELPED MORE THAN 250,000 CHILDREN CHALLENGED BY POVERTY, ABUSE, NEGLECT OR CRISIS SITUATIONS.

Kids in need often don't have the basic items they need, like warm coats, backpacks and school supplies, to thrive at home, at school and at play.

A Precious Child's Community Initiatives

Family Stability

Help ensure families have access to basic essentials and provide them with wrap-around services to get them on a path to self-sufficiency.

Family Stability Community Initiative Programs:

Precious Essentials provides clothing, coats, shoes, toiletries, home goods and other essentials to children and their families struggling with poverty or emergency situations through our main Resource Center and 38 Satellite Resource Centers across the Denver Metro area.

Basics 4 Babies provides basic necessities such as diapers, wipes and baby gear to families with infants who would otherwise ration these products or go without. A Precious Child also provides access to Bright by Three kits as a means of positively impacting early literacy skills, development, health and safety of the child.

Academic Success

Increase the grades and attendance rates for children in need so they can attain academic success.

Academic Success Community Initiative Programs:

Inspiring Minds provides access to STEM-based activities to children visiting A Precious Child's Resource Center and through educational, take-home STEM Kits. *Edusentials* provides educational support, such as computers, calculators, tutoring and incentives to remove barriers to school attendance and improve educational outcomes for economically disadvantaged students.

Fill A Backpack provides backpacks filled with grade-appropriate school supplies to children in need to maximize their academic potential.

Social & Emotional Well-Being

Help kids in need form meaningful relationships, experience, regulate and express emotions and learn new skills so they can thrive in and out of the classroom.

Social & Emotional Well-Being Community Initiative Programs:

giveARTS provides support for arts program costs associated with lessons, participation fees, instruments and art supplies to children in need, giving them the opportunity to participate in music, dance, theatre and the visual arts.

giveSPORTS provides new and gently-used sports equipment along with support for sports program costs associated with registration, uniforms, camp and participation fees to children in need, giving them the opportunity to participate in sports.

Precious Gift provides gifts to children who would otherwise go without during monumental times in their lives such as birthdays and during the holiday seasons.
