At **Sibshops**, you can hang out with kids that know how you feel and have some great fun!

**Sibshops** is for kids 8 to 12 years old. **Sibshops** is affordable...only \$10

**Sibshops** is a nationally acclaimed program. Our **Sibshops** provide peer support as well as support from professionals and volunteers from the Perlman Center and other divisions of Cincinnati Children's. Each session is a carefully designed "event" which celebrates the many contributions made by brothers and sisters of kids with special needs. **Sibshops** acknowledges that being the brother or sister of a person with special needs is for some a good thing, others a not-so-good thing, and for many somewhere in between. **Sibshops** reflects a belief that brothers and sisters have much to offer one another...if they are given a chance.
