

STATEMENT REQUESTING REPLACEMENT OF ELECTRONICALLY STOLEN SUPPLEMENTAL NUTRITION ASSISTANT PROGRAM (SNAP) BENEFITS

Supplemental Nutrition Assistance Program (SNAP) Electronic Benefit Transfer (EBT) cards may be subject to electronic theft and benefits may be stolen from your account through skimming, cloning your card or other fraudulent activities like scamming (phishing). **Skimming** is the method used by criminals to obtain EBT or credit card information from a card swipe at a retailer point of sale device. **Cloning** is the method of taking data from a skimmer and transferring the data to a magnetic strip of a “cloned” card. **Scams** involve deceiving or misleading a recipient to provide their account information and then using that information to create a counterfeit card.

INSTRUCTIONS FOR RECEIVING A REPLACEMENT OF ELECTRONICALLY STOLEN BENEFITS

If you think you are a victim of electronic theft of your SNAP food benefits, fill out this form completely and include any proof. Return it to your county JFS office within 90 calendar days of the date your SNAP benefits were electronically stolen. Any incomplete or late submission of this form will result in a denial of your request for replacement.

- **Amount Eligible for Replacement:** You may only be approved up to the amount of benefits stolen or the amount equal to two months of your monthly allotment that was issued prior to the date when benefits were stolen, whichever is less. Replacements can only be for benefits electronically stolen between 10/1/2022 through 9/30/2024. Federal law does not allow for Pandemic Electronic Benefits (P-EBT) to be replaced. You cannot receive a replacement if you have received replacement benefits for electronically stolen benefits twice in a federal fiscal year (October 1-September 30).

You will not be eligible to receive replacement benefits until your EBT card has been replaced since the last electronic theft transaction occurred. If you have not done so already, request a replacement EBT card immediately by calling 1-866-386-3071. If you do not request a replacement card, we will do it for you prior to issuing any replacement benefits you are eligible for.

You may get your SNAP benefits replaced if:

- You had your SNAP EBT card with you when benefits were stolen from your account.
- Your card was skimmed by electronic equipment taking your information without your knowledge.
- Your card was cloned without your knowledge.
- You were scammed into giving your EBT card number and personal identification number (PIN) to an unauthorized user that you believed to be the EBT vendor, an approved retailer, or a government entity
- You completed the JFS 07011 (below) within 90 calendar days of the date your SNAP benefits were electronically stolen.

SNAP benefits cannot be replaced if:

- You do not turn in a completed JFS 07011 within 90 calendar days of the date your SNAP benefits were electronically stolen.
 - For benefits electronically stolen between 10/1/22 and 6/16/23, you must turn in a completed JFS 07011 by September 15, 2023, or from the 90th day you were mailed a letter from the county agency indicating you may have been a victim of electronic theft, whichever comes later.
- You gave your EBT card number and/or PIN to someone you know, and your benefits were stolen by them.
- The benefits were electronically stolen prior to 10/1/2022 or after 9/30/2024.
- You have received replacement SNAP benefits for electronically stolen benefits two times in the federal fiscal year (October 1 to September 30).
- You do not provide the county JFS office with the additional information required to complete the JFS 07011 when requested.
- You do not meet the State's criteria for replacing SNAP benefits that have been electronically stolen.
