Where  
is the  
Project?

# It's being painted at Cherry Run Elementary

I chose Cherry Run because I went to school there. There was and continues to be an amazing and welcoming community around it. The outside wall of the school is very plain and I think a mural would really spruce up that area. This area is also where many people congregate such as when the gym is used for my little sister's chorus concert and sixth grade graduation ceremony. My hope is that it will make a nice backdrop for future families and their special events, and celebrate the wonderful Cherry Run community.

Specifically on this wall outside the gym:

# Frequently Asked Questions

## How do I volunteer?

You can sign up through the SignUpGenius. You are eligible to earn service hours if you volunteer.

## Why a Mural?

I chose a mural because I love doing art (and would make 70% planning just sketching which I really enjoy doing and I thought a mural would really make a difference to this school.

## Fundraising?

I have already talked to the PTA and they will reimburse \$100 and I have started a GoFundMe to raise the additional funds, my goal is to raise \$1000.

## What about students?

I plan to do this project in Spring Break of 2025 because there will be no students in the building.

Thank you for your  
time, consideration,  
and support.
