

# TRUVERIS

## Helping You Manage the Full Lifecycle of Your Clients' Pharmacy Benefits

We'll do the heavy lifting – you keep your clients' pharmacy costs low

Truveris enables you with pharmacy benefit procurement and oversight solutions for clarity and control when managing the pharmacy benefit. Our solutions don't start and end when it's time to choose a PBM – we can help you measure and manage spend throughout the entire pharmacy benefit lifecycle. Here's how:

### Procurement, Contracting, and Best Pricing

	TruBid®	TruBid® EXPRESS	 MARKET CHECK
<b>What it does</b>	Reverse auction PBM RFPs	PBM contract optimization without a full RFP	Mid-contract PBM savings
<b>Who it's for</b>	Self-funded clients with more than 1,200 lives	Self-funded clients with fewer than 1,200 lives	self-funded clients who want to improve their contract
<b>Outcomes</b>	20% average annual savings	22% average annual savings	Assurance your client's PBM contract has optimized terms
<b>When to Engage Truveris</b>	10 months before contract renewal	6 months before contract renewal	1-2 years after PBM contract implementation

### PBM Accountability & Oversight

	TruGuard®	TruAudit™
<b>What it does</b>	PBM accountability and oversight throughout the life of the contract	PBM contract audits
<b>Who it's for</b>	Self-funded clients who want a comprehensive view into their PBM	Self-funded clients who want to renew their
<b>Outcomes</b>	Ensures PBM is pricing accurately and uncovers potential savings	Identify PBM contract errors and prepare for recovery
<b>When to Engage Truveris</b>	At any point of the PBM contract	Q2 or Q3 the year before contract renewal
