First Annual Tom Duffy Memorial 5K

Paying tribute to CCA's Founder

Last year's inaugural Tom Duffy Memorial 5K was a fitting tribute to Christian Community Action founder Tom Duffy. An avid runner, Tom participated in a number of running events. He completed the New York City Marathon three times as well as the Dallas White Rock Marathon in the late 1980s and early 1990s. Tom was no stranger to events that benefited Christian Community Action. He worked tirelessly from early in the morning until late at night to do what he could to help all the CCA clients or "angels" as he called them.

There were over 100 participants at last year's event, which was held at Unity Park in Highland Village in conjunction with Fall Festival Day. Participants ranged from the very young to seasoned 50 plus year old participants. Representatives from Hoka Running Shoes and the Frisco Running Company were also on hand to share information on running products as well as support those who were participating.

The event was also supported by over 40 volunteers from Medical City of Lewisville as well as a variety of community minded sponsors and representatives from the Highland Village Parks and Recreation department.

With a great footprint to grow from, officials expect this year's event to increase in participation. Excitement is already building as organizers plan for the second annual Tom Duffy Memorial 5K, which is scheduled to take place **Saturday, November 3, 2018!**

Christian Community Action

For more than 45 years, Christian Community Action (CCA) has been healing, feeding, and educating families in need throughout Dallas, Denton and Tarrant counties. What started as a Bible study group of seven people in 1973 has grown into an organization that serves over 7,000 annually. Headquartered in Lewisville, CCA is the largest nonprofit agency providing homelessness prevention, hunger relief and long-term restorative services in Denton County.

CCA's crisis management services are designed to meet the immediate, critical needs of families or individuals during crisis. This is done through services designed to assist families in overcoming the challenges of changes to the family structure, unemployment or underemployment, major illness or any situation that threatens a family's stability.

CCA offers the following services:

Financial Assistance Rent/mortgage, utilities.

Food Pantry Self-selection grocery store that serves 24,850 family visits annually.

Spiritual Counseling Christian counseling for those facing a spiritual or emotional crisis.

Seasonal Programs Back to School, Bags of Blessings (Weekend Summer Feeding Program), Christmas Toy Distribution, Senior Monday, Senior Christmas Gift Program, and Holiday Meal Programs.

Education and Life Skills Programs English as a Second Language, Computer Skills, Financial Literacy, Resume Building, Financial Management Classes and Job Placement Assistance.

TOM DUFFY was born July 28, 1941, in Dundalk, Ireland. After the sudden death of his father, Tom's mother Mary immigrated to the United States to work, where Tom and his siblings later joined her. Despite the hardships of his early life, Tom did not indulge in self-pity. A true visionary, he enjoyed thinking and planning, as he wrote his manual on how to help those in need.

In the early 1970s, Tom and his wife Sara were part of a Bible study group discussion that inspired CCA. Starting with the restoration of a nearby widow's home, the group soon took on a number of similar projects in the neighborhood. The organization continued to grow and expand and eventually transitioned into one of the area's largest nonprofits whose mission was to provide "hand-up" services to those in need. Tom was at the helm of the organization, leading the way for 30 years until 2003.

Tom passed away on February 6, 2017. Ed Johnson, former board chair of CCA, said, "Tom was an incredibly committed man, who along with Sara, was focused on helping those less fortunate. Through his years at the helm of Christian Community Action, Tom and his team helped countless individuals and families transition from hopeless cases to self-sufficiency. He leaves behind a wonderful family, and a number of friends and volunteers who will miss him. His legacy will live on with all of us."
