For Immediate Release

Medical Center of Lewisville Appoints Miah Stutts CFO

Lewisville, TX –November 15, 2016 – Miah Stutts has joined Medical Center of Lewisville as Chief Financial Officer.

In her new role, Stutts will have direct reporting responsibility for all financial departments including Finance, PAS, Health Information Management, Case Management, Revenue Integrity, Information Technology, and Supply Chain.

"We are excited to welcome Miah to the MCL family," says Sharn Barbarin, CEO of Medical Center of Lewisville. "I am confident that Miah's attributes will support Medical Center of Lewisville as we drive strategic initiatives and continue our advancement in acuity and complexity."

Stutts began her career at Medical City Dallas in 2012 as Controller and quickly advanced to Assistant Vice President of Finance.   As AVP of Finance, Stutts played a critical role in supporting the 797 bed flagship facility's expense management, service line development and its unprecedented financial outperformance.   Prior to joining Medical City, Stutts served as a Financial Audit Manager for HCA's internal audit department for 4 years. Throughout her career, Stutts has displayed a track record of proven results with financial, operational, and strategic initiatives.

Stutts holds a Bachelor of Science in Accounting from Louisiana State University and is a Certified Public Accountant.
