Dear Families,

The Redmond Middle School PTSA knows that a strong partnership among our families, school leaders, and community at-large is important for the success of our students and school. That's why we are participating in the National PTA School of Excellence program, which celebrates partnerships between PTA and schools to enrich the educational experience and overall well-being for all students.

As a National PTA School of Excellence, families feel welcomed and empowered to support student success, and PTSA is a key partner for continuous school improvement. We feel Redmond Middle School and Redmond Middle School PTSA can achieve that together – and the result will be national, state and community-wide visibility for the positive impact we are making together at Redmond Middle School.

We need your help! As part of the process, National PTA requests feedback from families at two points in the school year – the beginning and end. Your feedback in the beginning of the program will help to generate a customized *Roadmap to Excellence*, which will provide specific recommendations for improving our family-school partnership and achieving excellence.

Please take 5-10 minutes to reflect on your experience at our school and complete the survey. Choose the answer that most accurately expresses how you feel about your experience. This survey is completely anonymous. Please complete this survey as soon as possible and by May 28th.
