Call for Award Nominations

Each year, the Redmond Middle School PTSA recognizes volunteers who have given outstanding service to our children and school community. We do this through three awards: the Golden Grizzly, the Golden Acorn and the Outstanding Educator Award.

Now is your chance to participate in the selection of our award recipients by nominating candidates for consideration by our award committee.

To nominate someone for an award, read the summaries below for each category, write your recommendation and **return it to the PTSA in a sealed envelope**. The use of this form is optional; you are welcome to send us your recommendations in letter format, or by email to awards@rmsptsa.org

Golden Grizzly Award

In 1996, Redmond Middle School PTSA established the Golden Grizzly Award to recognize excellent volunteers and members of staff at Redmond Middle School. Golden Grizzly recipients' names are added to a recognition plaque and a book is donated to the school library in each recipient's name.

Golden Acorn Award

Each year, our PTSA gives the Golden Acorn Award to recognize a volunteer who has given outstanding service to our children and our school community. The Golden Acorn Award is very special and is given for continued and dedicated service to only one or two recipients a year.

A Golden Acorn recipient receives a gold pin and his/her name is added to the recognition plaque. The Redmond Middle PTSA contributes \$70.00 in the person's name to the Washington state PTSA financial Grant Foundation. This foundation provides scholarships each year to high school graduates entering college and vocational school.

Outstanding Educator Award

The Outstanding Educator Award is awarded to an outstanding teacher, assistant, custodian, bus driver, administrator, or community member who has gone beyond the normal expectations of their jobs to make the learning environment fun, beneficial, and challenging for our students. The PTSA awards up to two Outstanding Educator Awards a year.

An Outstanding Educator recipient receives a pin and the Redmond Middle School PTSA contributes \$70.00 in the person's name to the Washington state PTSA financial Grant Foundation. This foundation provides scholarships each year to high school graduates entering college and vocational school.
