THE SNUGGERY

RMS INITIATIVE FOR STUDENTS IN NEED

Redmond Middle School has created a food pantry/ clothing closet for students in need of these extra resources during the school day or at home during the week. They have dubbed this room “The Snuggery”.

The Snuggery provides supplemental food and clothing for students who need these additional resources. Redmond Middle School has asked the school community to help contribute to this initiative by periodically donating goods so that they’re available all year round for students.

Look out for requests in RMS or PTSA communications to find out what is most needed.
