

The Hope Festival

2017

The annual Hope Festival is an incredible event that serves struggling and in-need families across the Eastside. Hopefest not only provides over 1500 guests with free groceries, clothes, hygiene items, and books; but also provides clients with free services such as haircuts, massages, entertainment, and much more. Everyone is welcome to enjoy the refreshments being served, or even pick up a club for a game of mini golf with the family. The Festival provides a day of fun and care within the stressful lives that each of our guests are enduring. Each year, our clients will walk away from this powerful day of giving with a reaffirmed belief that they are cared for by a compassionate community.

The Hope Festival is organized by Eastlake High School students; along with the generous donations and support from local organizations. The festival is powered through Hope in Motion; a youth-led movement implementing change through kindness in communities across the Eastside and beyond. Hope in Motion allows Hopefest to be successfully led and run by over 300 incredible volunteers – more than 75% of them being youth. This day of service is an uplifting and inspiring day like no other.

Together, we ensure that each and every person we serve receives more than just necessary supplies – but also a regained sense of hope. We hope you can join us at the 2017 Hope Festival!
