Results from RMS Internal Buzz Bowl Competition

Total of 12 RMS teams (50+ students) participated at an internal buzz bowl competition held at Redmond Middle School on Sunday Dec 16. The event was organized by RMS Science Club and executed by an external evaluation team **Science for Community team**. All teams performed exceptionally well, and top 2-3 teams will move forward and represent RMS at the National Science Bowl to be held at Portland in Feb 2019.

Huge thanks to Praveen Khanna and Madhuri Goel from RMS science club team who worked with Aum Upadhyay, the founder of Science for The Community to orchestrate the entire event. Many thanks to Aum and his Volunteer team.

Congrats to all the winners and the students who participated.

- **1st Place: RMS team#7**
