Celina

East View Park | Shelter # 1
Celina, OH 45822
(On Grand Lake by the ball park)

C1: Fantastic Creatures & Color Families

June 11 | 11:00-12:30 | **Rebecca Stockert**

1 DAY CLASS: Improve your artistic skill as you learn about stencils, watercolor techniques and color families. Choose fantastic creatures to trace with a black sharpie and paint those creatures based on your favorite color palette.

C2: Slime Lab

June 11 | 1:00-2:30 | **Rebecca Stockert**

1 DAY CLASS: Spend an hour and half in the arts lab making non-toxic slime from household objects. Regular slime, glitter slime, and fluffy slime will all be created. Of course, you will get to take your own slime home!

C3: Enameling with Paint

June 13 & 14 | 4:00-5:30 | **Stephanie Schielitz**

2 DAY CLASS: Experiment with a unique enameling technique to create a beautiful piece of art by embossing a design into metal and filling the design with glossy paint.

C4: Get a Rhythm, Paint a Rhythm

June 25 | 9:00-10:30 | **Emilie Fisher**

1 DAY CLASS: Channel your inner Jackson Pollock in this fun creative class! Listen to music and create a painted piece inspired by what you hear. We will listen to different types of music while learning about various painting processes.

C5: Viking Ship Sculpture

June 25 & 26 | 2:00-3:30 | **Luke McClung**

2 DAY CLASS: Work with your friends to build a giant Viking ship! Use your imagination and information about Viking ships to build a fast ship for raiding or a dragon-ship for sailing in style.

C6: Chinese Dragons (Chalk and Clay)

June 25 & 26 | 4:00-5:30 | **Luke McClung**

2 DAY CLASS: Hear the story of "Sam and the Dragon". Then, use chalk pastels to draw your own interpretation of the dragon from the story, and even build a clay model of the dragon.

C7: Introduction to Acting

July 11 - 13 | 9:00-11:00 | **Billy Simms**

3 DAY CLASS: Learn acting techniques as you play acting games and create characters. Then show what you've learned as you rehearse and perform a final scene for the class.

C8: Creating Comic Adventures!

July 11& 12 | 11:30-1:30 | **Billy Simms**

2 DAY CLASS: Create your very own comic strip! Learn to develop characters and write a short story. Hear helpful storytelling tips, explore new drawing styles and create your own adventures!

C9: Print Play

July 11 & 12 | 2:30-4:30 | **Billy Simms**

2 DAY CLASS: Experiment with printmaking as you learn a variety of methods for making prints and create several unique works of art to show off to your family and friends.

Coldwater

CW1: Floating Ink

June 4 | 2:00-3:30 | Kelly Bricker

1 DAY CLASS: Students will be creating traditional art from Japan. They will make amazing designs simply by floating ink on the surface of water and transferring it to paper.

CW2: Clay Chinese Wall Vase

June 4 | 4:00-5:30 | Kelly Bricker

1 DAY CLASS: Ceramic wall pockets have been around for a long time. In China they were often shaped like fish or a bird and hung by bed sides with flowers in them. They are still popular today, and they are easy to make. What design can you create?

CW3: Picasso Pop Can Portraits

June 5 | 2:00-3:30 | Kelly Bricker

1 DAY CLASS: Create recycled art inspired by the abstract portraits of Picasso. Use a crushed can as a simple but fun way to explore Pablo Picasso's artwork.

CW4: Viking Helmets

June 5 | 4:00-5:30 | Kelly Bricker

1 DAY CLASS: A Viking's helmet is a symbol of Viking pride and an important part of a warrior's protective gear. Come create your own awesome Viking helmet out of mixed media materials.

CW5: Luminous Fossil Pendants

June 13 & 14 | 9:00-10:00 | Stephanie Schieltz

2 DAY CLASS: Form your own fossils by pressing leaves and other natural materials into soft clay. While the clay is moist and the leaf is held in place, a layer of "sediment" in the form of lustrous powdered pigment can be finger-applied to create a detailed outline. When dry, these shimmering, colorful "fossils" can be made into pendants, ornaments, charms, and more.

CW6: Decorative Clay Plates

June 13 | 10:30-12:00 | Stephanie Schieltz

2 DAY CLASS: Build and decorate your own plate! Once you've formed your clay plate you have a great canvas for decoration. Learn finishing, embellishing and glazing. Experiments with paper stencils, slip decoration, underglaze and using objects as stamps.

CW7: Painted "Glass" Rings of Light and Color

June 13 & 14 | See Below | Stephanie Schieltz

2 DAY CLASS: Create glass-like paintings that are clearly amazing! The stained glass found in European architecture from the Middle Ages and the Renaissance was often created for visual storytelling. What story can you tell?

Class times are June 13th: 1:00-3:00 and June 14th: 1:00-2:00.

CW8: Wind Chimes

June 14 | 10:30-12:30 | Stephanie Schieltz

1 DAY CLASS: Wind-driven, sound-producing sculpture has a long and varied history — from the rattle of dried bones hung in ancient gardens to scare away birds to chimes placed on early ships to alert crews to wind changes. Create your very own musical wind sculpture!

Coldwater Memorial Park

Shelter # 3

Coldwater, OH 45482

Note: Creative Movement and Taiko Drumming at Coldwater High School in the "Pound." Enter at HS entrance off Highway 118.

CW9: Creative Movement

June 18-22 | 3:00-4:00 | Allison Ballard

Meet the Teaching Artists

Allison Ballard has over 25 years of experience teaching creative movement and drumming/rhythm classes to children. She is the founding Director of Fort Wayne Taiko, a drumming and movement ensemble and Director of the University of Saint Francis' Jesters program. Allison received a Master of Arts in Dance Movement Therapy from Columbia College Chicago in January 2003.

Christine Kuhn is an art teacher and activist who uses art to empower and promote liberal social change. She holds degrees in biology, chemistry and diplomacy and is a graduate of the Philadelphia Mural Arts Training Program. When she's not in the studio, Christine can be found cycling the city streets and back roads of her hometown, Lexington, KY.

Kelly Bricker is a Ball State graduate with a bachelor's degree in education. She is currently teaching elementary art for the Jay County School Corporation. She is passionate about oil painting, ceramics, and printmaking. In her free time she loves painting, barrel racing, boating and spending time with her family.

Kara Pinkerton is a teacher at Blackford High School in Hartford City, IN. She received her Bachelor's Degree in Visual Arts Education in 2006 and landed her first teaching position in Blackford County that summer. She has had a passion for the arts since early elementary school.

Sonja Brooks is a teaching artist who encourages children and adults to explore both the fun of art making and its power to nourish growth and change. Sonja is also Executive Director of Sisohpromatem Art Foundation Inc., a non-profit in Lexington, KY that helps children develop life skills and community participation through engagement in the arts.

Luke McClung graduated from Jay County High School in 2007. He attended Anderson University where he completed a double major in Fine Arts and Art Education. Luke is in his 6th year teaching art at South Adams High School where he offers 19 different courses to high school students, and teaches middle school as well.

Emilie Fisher: is a recent graduate from the University of Saint Francis, with a degree in Visual Art Education. She has a passion for teaching children about creative ways to use different materials in their home to create art, and about creating expressive works of art.

Stephanie Schieltz is an elementary art teacher in the Jay School Corporation. She graduated from Ball State University in May 2015 with a Bachelor's Degree in Visual Arts Education specializing in ceramics.

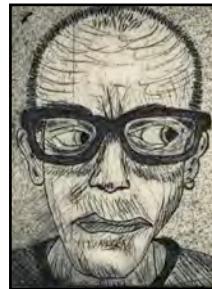

Florine Golden taught family and consumer science at Jay County High School for 38 years. She is an avid reader and also enjoys baking, sewing, quilting, basket weaving, biking and traveling.

Rebecca Stockert received a BA in ceramics and MA in painting from the University of Saint Francis. She is a freelance fine artist, illustrator, teaching artist, and adjunct instructor at Ivy Tech Northeast in Fort Wayne, Indiana.

Carol Knarr-Gebert teaches dual credit speech and theatre through Ivy Tech at Jay County High School. Carol has performed storytelling in China and Israel as well as throughout the United States. She received her BA from Anderson University, MS from Indiana University and MFA from Arizona State University.

Billy Simms has 18 years of teaching experience working with students from kindergarten-age through college undergraduates. He has a degree in theatre from University Maryland Baltimore County, a degree in education from The Johns Hopkins University, and a degree in art from Miami University.

Meet the Visual Arts Director

Kimberly Anderson joined Arts Place in 2015 after teaching drawing and design as an adjunct professor at Ball State University for 10 years. Prior to her career at Ball State, Kimberly spent over a decade teaching ceramics at the Indianapolis Arts Center.

Kimberly has been a working artist since she graduated with an MFA in ceramics from Wichita State University in 1994. She has traveled the United States selling her functional ceramic pieces along with her husband, a painter and drawer, Scott Anderson. In 2003 she was a recipient of the Indiana Individual Artist Grant which she used to build a home studio equipped with a gas kiln.

After spending months organizing the Arts in the Parks program, Kimberly says her favorite part of it all "is seeing the kids light up in excitement when they complete a project or have a special "a-ha" moment when they begin to master a new skill."
