Public Hearing

What is a Public Hearing?

Each year Washington County Office for Aging holds a Public Hearing. The primary purpose of the public hearing is to obtain public testimony and/or comment before significant decisions are made for the development of the Annual Plan for services and programs.

What does the Office for the Aging do with all the comments provided?

Public testimonials and comments gathered throughout the Public Hearing period will be taken into consideration when the Annual Plan for programs and services is being developed. In previous years, public comments and testimonials were used to advocate for additional funding for unmet needs.

How do I know what is in the Annual Plan for services and programs?

The Office for Aging provides to the public an abstract (aka summary) of the proposed service plan prior to the public hearing. The abstract/summary is available at the Office for Aging, the Whitehall Meal Site located at the American Legion Post 83, the Kingsbury/Fort Edward Senior Center, and at the Cambridge Senior Center.

Information is also shared on the agencies website at: <https://www.washingtoncountyny.gov/148/Office-for-Aging>

**Thursday,
November 5th, 2026**

at the

Washington County Council of Seniors Brunch

Doors open at 9:00 am
