April 13-14, 2023

Wyndham City Centre Hotel
700 East Adams
Springfield, IL 62701

Property Tax Extension Limitation Law (PTELL) & the Morass that is the Illinois Property Tax System

There are a number of government officials who are involved in the property tax process, from the local city council and school district board to the Department of Revenue, as well as some lesser known entities, such as the Board of Review. This session will focus on the mental health board tax rate as well as everybody's role in the process from voting on a levy ordinance to sending out the property tax bill. We will also focus on PTELL and where it fits into the process. And discuss what PTELL was meant to do, and what it does, intended or unintended.

Speaker:
Maurice J. Scholten
