SPEAKER: LAUREN FUSCO, DIRECTOR OF
OUTREACH, MINDSET CARE

About Mindset Care:

Mindset Care specializes in assisting individuals with mental health diagnosis, developmental and physical disabilities, chronic illnesses, those in critical care situations, and their caregivers navigate the SSI and SSDI system. From initial filings to appeals, we want to ensure a seamless process for those navigating Social Security. Mindset has attorneys on staff, case managers assigned to every claimant, and the ability to begin working with the person no matter where they are in their process. Our goal is to remove the barriers associated with disability benefits to ensure that individuals receive the benefits they are entitled to.
