As you drive around this month, you may find yourself stuck in traffic. At that moment, ask your preteen, “What do you do when you have to wait?” Think of ideas on how to pass the time while stuck in traffic.

When do you find it difficult to show love to others? The truth is, we don’t always have it in ourselves to respond with love. But the awesome thing is that God can give us His love for others! He loved us first, and when we ask, He will give us His love to pass on to others. Any time you’re tempted to act in an unloving way this week, ask God for His love to give to others.
