

# May Day Treat Basket

Take some time this month to leave a special May Day Basket on your neighbor, teacher, co-worker and or family member's door, desk or locker. Sharing the love can be this simple. We honor others with a gesture of love, appreciation and sweet treats☺ You can share God's love today, and any day, with a smile in form of a thoughtful gift. No matter the time or effort you give, the feeling will be shared and appreciated! Take a minute this month, even if it's not May 1<sup>st</sup> and spread some May Day Cheer!!!
