<b>B12 Injection</b>	\$ 25.00	\$ 25.00

If paying for any vaccines and/or B12, we accept cash or check made out to Staying Healthy Medical Services. (Bills over \$20 cannot be accepted.)

After you sign up online, you will see a confirmation page. There will be a link for you to print out the consent form for vaccinations. You only need to print out one consent form for vaccinations. B12 will require a separate form. If you have questions about any particular vaccination, please see our nurse on the day of the clinic.

COVID-19 vaccines will be available for participants age 18 and up. The most updated formula available at the time of your clinic will be offered and current CDC dosing guidelines will be followed.

The Shingles vaccine (Shingrix) will be available for employees (age 50-64 only if using insurance). Please note that this vaccine is known to cause more frequent local reactions than other routine immunizations.

For individuals age 65 and over, only flu and COVID vaccines can be administered if using insurance. Age-appropriate vaccines can be administered to those 65 and over that are paying out of pocket for the vaccine.

Depending on the carrier, insurance claims may be filed as Community Health and Immunization Services or Staying Healthy Medical Services.
