In partnership with the Chicago Sinfonietta, **Project Inclusion** is a one-year orchestra fellowship program providing promising early career musicians from diverse backgrounds with the opportunity to perform with the Grant Park Orchestra and Chorus, play chamber concerts in community venues and receive one-on-one mentoring. **Project Inclusion** is a part of the Festival's comprehensive initiative aimed to increase music education and engagement opportunities for audiences of all ages.

For more than 80 years, the Grant Park Music Festival has been Chicago's summer musical sensation, demonstrating that classical music, performed by a world-class orchestra and chorus can have a transformative impact on the city. The Jay Pritzker Pavilion in Millennium Park is the official home of the Festival, with free seats available for every concert from June 14 - August 19 on Wednesday, Friday and Saturday evenings.
