KEY ACHIEVEMENTS [AIA RELEVANT EXPERIENCE]

SINGAPORE

- Led Singapore Institute of Architects, as Chair of Design Competition Committee, to be organizer of **Founders Memorial International Design Competition** for National Heritage Board (main stakeholder). Presently, completed Stage 1 and preparing for Stage 2. [On-going, 2019-2020]
- Chaired in crafting Singapore Institute of Architects "**SIA 2018 Design Competition Guidelines**". [2018]
- Chaired in crafting Singapore Institute of Architects "**11 Attributes for a Sustainable Built Environment**", a seminal policy document, adopted by ARCASIA as its defacto sustainability position. [2013]
- Developed assessment criteria for **SIA G-ARCHITECT Award**, which honors an Asian architect who advance and advocate theory and practice of sustainable architecture). 2 successful seasons. [2014]
- Co-chaired a joint BCA-SIA Taskforce to review existing GreenMark rating tool (focused on passive design and site criteria), resulting in **BCA Green Mark 2015** launched at IGBC 2015 conference. [2015]
- Mentored, in two cohorts [Y2017-Y2018 and Y2014-2015], Year 3 students from Singapore University of Technology and Design (SUTD) in an industry partnership initiative, **Capstone Program**.

INTERNATIONAL

- Chaired the **AIA IR 2018 Conference Committee, AIA IR 2018 Singapore Conference**. [2018]
- Brought AIA IR Conference to SG. As Unassigned Director, engaged local members & increased **AIA visibility**.
- Key SIA representative in a tri-partite **SIA-URA-STB Steering Committee** to prepare bid to host the **UIA World Congress 2014** (@ Torino in 2008) and 2017 (@ Tokyo in 2011).
