

## **Worship Workmates**

A workmate is 'one who works with others' presumably to accomplish a common goal. Instead of the word *usher* think of the Bible word ezer.

Genesis 2:18, the pastor's paraphrase shows the importance of people having other people to help them.

'The Lord God said, "It is not good for one to be alone.  
I will make a suitable helper'.

### **Why *workmate* instead of *usher*?**

The duties of Worship Workmate are vastly different from the work that has traditionally been done by the BAUMC ushers. To our ushers 'Thank you for your good work over the years!'

### **Worship Work mates' primary duties**

10:59-11:25 be seated at the registration table located in The Commons.

Help people register their attendance.

Remind people to mentally answer the questions on the Covid safety protocol signs.

At the conclusion of the service take the completed registration forms to the church office.

On communion Sundays place communion items in the sacristy (the storage room adjacent to the preaching pulpit; stage left, congregation's right).

We must work together, giving our best efforts to God. The Bon Air ministry will not work the same way without volunteers. This is a great way to serve God and Bon Air Church!

Thank you!
