**Manchester-Boston Regional Airport Named Best Domestic
Airport by Travel + Leisure World's Best Awards 2023**

[MANCHESTER, NH] – July 11, 2023 – Manchester-Boston Regional Airport (MHT) has been named the Best Domestic Airport in Travel + Leisure's World's Best Awards 2023.

"Our Airport employees and partners work extremely hard every day to ensure the best experience for our passengers," said Airport Director Ted Kitchens, A.A.E. "We are grateful for our employees' dedication to making the Airport the preferred airport of choice for savvy passengers in the greater Boston area. Thank you to our employees and to the readers of Travel + Leisure for bestowing upon us this most prestigious award."

"Two airlines have added service to Manchester-Boston Regional Airport in the last two years, and this newly awarded recognition of MHT as the Best Domestic Airport in the United States is yet another indicator of our city's historic growth," said Manchester Mayor Joyce Craig. "This recognition will boost our efforts to attract workers to the region and positively impact residents of our city for decades to come. I applaud Manchester-Boston Regional Airport's dedicated staff for all their work to send a message that MHT is the place to be."

Each year, Travel + Leisure asks its readers to reflect on their travel experiences around the world. Travel + Leisure recognizes the top airports, airlines, cities,

hotels and more, creating a trusted source for inspiration and guidance for travelers that is based on opinions and first-hand experience.

MHT ranked among the Top 10 Domestic Airports in Travel + Leisure in both 2019 and 2022. Airports are rated on a variety of characteristics, such as accessibility, check-in/security, cleanliness, restaurants/bars and more.
