## Happy Hispanic Heritage Month

September 15th marked the beginning of a month-long celebration of the histories, cultures, contributions, and achievements of Hispanic Americans to the United States.

Earlier this month, the AFA Executive Board passed a resolution recognizing Hispanic-Latinx Flight Attendants and Americans contributions and influence to the history, culture, and achievements of the U.S. and will design an appropriate pin in recognition of Hispanic-Latinx Heritage Month to be made available in 2022.

The AFA Human Rights Committee is actively looking at additional diversity and inclusion pins to recognize the full diversity of our Flight Attendants.

## AFA on the Picket Line for our BCTGM Sisters and Brothers

Our striking Nabisco Bakery, Confectionery, Tobacco Workers and Grain Millers' International Union (BCTGM) sisters and brothers have reached a tentative agreement with management.

The BCTGM workers have been on strike for over a month for respect, protection and fair pay. If the tentative is approved the strike will end.

Kudos to AFA Flight Attendants who have joined their picket lines in the fight for a fair contract! Raising standards for workers anywhere helps all of us everywhere.
