Re: Stronger Together, Better Together

Dear Flight Attendants,

I understand that there is a lot of movement within the structure of your AFA Leadership. As your Acting MEC President, I want to commit to each and every one of you. I want to assure you that what appears to be broken, will be fixed. I did not expect to take on this role, but I know that it is my responsibility and duty to serve you and the rest of our Hawaiian Airline Flight Attendant siblings.

In the next few days, I will meet with your Local Presidents to ensure we are aligned moving forward. Your Local Presidents will elect a new MEC-President and MEC-Vice President and we will all work together to be united. Although there is a lot happening, know that you are supported. There are still officers and volunteers working behind the scenes to ensure our Flight Attendants are given the help they need. Do not hesitate to reach out to your local leadership also know that I am available as well.

What I ask of you is patience and understanding. At the end of the day, we are human beings. We have feelings and we have struggles just like each of you. In this transition period there may be some decisions you may disagree with. All I ask of you is to voice your opinion with respect. We are stronger TOGETHER, better TOGETHER. So let us move forward together.

In Solidarity,

Chasity Theno
Acting MEC President
