Dear Membership,

Simultaneously as Warn letters are being issued, Congress is working on a new Covid Relief Package (American Rescue Plan) which includes an extension of the Payroll Support Program through September 2021. We need your action by calling and writing our Representatives and Senators to ensure we stay connected to our jobs, healthcare, and paychecks. We are fortunate to have our Hawai'i Congressional members' support. So we have two scripts, one for Hawai'i and one for the mainland.

Hawai'i: " Hello, I am a constituent calling [Senator/Representative] to thank her/him for their past and continued support of aviation in Hawai'i. I look forward to their support in extending the Payroll Support Program through September 2021 and passing the American Rescue Plan. Thank you."

Mainland: " Hello, I am a constituent calling [Senator/Representative] to help save my job as an essential worker. Pass the American Rescue Plan and extend the Payroll Support Program for aviation workers through September 2021. Keep us connected to our jobs, paychecks, and healthcare. Thank you."

Senate: 888-848-4824

House: 888-907-9365
