Support the PRO Act

Dear Fellow Flight Attendants:

This is important news from our union - the Communications Workers of America (CWA)!

\*

CWA members are fighting to pass the PRO Act because it means more power for workers to negotiate better wages, benefits, and working conditions. It will also make it easier for more workers to organize unions, which means more power and leverage at the bargaining table for all of us. We're not exaggerating when we say it's the biggest piece of legislation to boost workers' rights we've seen in decades!

**We will do everything in our power to get this bill passed; please join us in our fight!**

After you add your name, we encourage you to follow-up additional ways you can take action!

**The PRO Act will:**

- **Protect strikes and other protest activities.** The bill will make it illegal for employers to permanently replace striking workers and make secondary strikes and boycotts legal.
- **Make it easier to bargain.** The bill will eliminate obstacles for workers to get their first union contract.
- **Help strengthen protections for workers forming a union.** The bill will establish compensatory damages for workers and penalties against employers when they fire or retaliate against workers for forming a union.
- **Prevent the misclassification of workers as independent contractors** to stop employers from denying them their rights.
- **Deal a blow to "right-to-work" laws**
- and much more!

**PRO-ACT ACTION, Thursday, July 22, 2021: 630 – 730 am [flyer on following page]**

We are 3 votes short of the 50 we need to pass the Senate. Encourage our HI Senators to reach out to their colleagues: Senators Kelly (AZ), Warner (VA), Murkowski (AK), and Sinema (AZ).

**PARKING.** Street parking or municipal parking could be more convenient to the Prince Kuhio Federal Building at 300 Ala Moana Blvd. Please know that the State Fed will validate parking for those of you who wish to park at 345 Queen Street (lot opens at 6AM).

If you are available and/or can help, please join us! And thank you for taking action to fight for workers' rights!

In Unity, Jaci-Ann, Kahea, Kerri and the Entire Council 43 Leadership Team
