

AFA-CWA Local Executive Council 43 - Message to Members

September 6, 2021

*"Your work is going to fill a large part of your life, and the only way to be truly satisfied is to do what you believe is great work.
And the only way to do great work is to love what you do."
— Steve Jobs*

Dear Fellow Flight Attendants,

"The labor movement in the United States grew out of the need to protect the common interest of workers. For those in the industrial sector, organized labor unions fought for better wages, reasonable hours and safer working conditions. The labor movement led efforts to stop child labor, give health benefits and provide aid to workers who were injured or retired."
