re: AFA & APFA's Unity Remembrance pin, distribution

Dear Fellow Flight Attendants:

The month of September is somber as we reflect on September 11, 2001. The Association of Flight Attendants (AFA) and the American Airlines Flight Attendant union (Association of Professional Flight Attendants (APFA)) have created a joint pin for our members to wear. This pin symbolizes our combined members as we pay our respects and reflect on the life-changing event that occurred 20 years ago.

Our volunteers have prepared the Unity pins for distribution and they will be in your work file by Friday, September 3, 2021, if not sooner. We ask that you wear these pins through the month of September as a reminder of the national tragedy and the precious lives that were lost.

Many of us will have varying processes as September 11th nears. Please know that our AFA Employee Assistance Program has resources to help you. The AFA EAP link:

Our Flight Attendant 'ohana is unique and special and we appreciate your camaraderie, love and respect for not just our Flight Attendant group, but all throughout our industry.

In Unity,

Jaci-Ann S. Chung, president@hawaiian43.org

Kahea Ching, vicepresident@hawaiian43.org
