LAX HALFAS

June 4, 2020

Dear LAX family,

The AFA has provided LAX HALFAS email group as a resource for both AFA members and AFA leadership. Under previous leadership, rules were outlined for LAX HALFAS. It seems that there may be grey areas in those previous guidelines. The Officers have met about said issue and we have come to a consensus that we will make rules that are more defined.

In order to better define the focus of LAX HALFAS, **members are ONLY allowed to post Pickups/Drops/Trades. Moving forward, any other post not pertaining to Pickup/Drops/Trades will result in the deletion of the LAX HALFAS Email Group as a whole.**

We want to provide this resource to you all but we cannot continue to police unacceptable posts and offenders. I encourage you all to keep each other accountable and abide by the guidelines outlined in this letter so that we can keep this group open for the benefit of all members.

Union communication will no longer be posted on LAX HALFAS. All Union Communication will be emailed to your personal emails listed with the AFA. If you are not receiving union emails, please make sure to update your emails with Beth Hayes or any of your Officers.

If you have a concern or questions outside of Pickup/Drops/Trades, feel free to contact your officers.

Mahalo,
