## LAX HALFAS UPDATE

June 16, 2020

Aloha LAX fam,

After much talk and discussion, your officers discussed LAX HALFAS and its purpose moving forward. While we find the group beneficial to the entire membership, we, as AFA will no longer be the administrators. We think it's important to have the group to post PICKUPS/DROPS/TRADES in addition to other work-related matters. Having LAX HALFAS as an entity of the AFA requires us to setup rules and guidelines. We think the better option is to turn LAX HALFAS into a member run group. By transferring the administrative rights to the members, LAX HALFAS would reflect what HAL LIFE is to HNL Base. This should be a forum where you, the member, feel comfortable to have that peer-to-peer support in addition to PICKUPS/DROPS/TRADES.

We would like to ask member(s) to volunteer to take over the administrative rights to LAX HALFAS. Unfortunately, if no one volunteers, the group will be deleted. Again, this will no longer be an AFA entity.

If you would like to volunteer. Please email me at [josh.aoki@hawaiian47.org](mailto:josh.aoki@hawaiian47.org).

Stronger Together,  
Josh, Nate and Beth
