

## MEC Alert

Hawaiian Airlines Master Executive Council  
May 10, 2022

Re: MEC Officer Recall

Dear Flight Attendants,

There has been a lot of information being put out from both local councils as well as information from alternate platforms about the recall of MEC Officers. We are of course against this action. It has always been the commitment and intention of each one of us to serve the membership and complete our term of office. However, we also acknowledge this recall process is outlined in the AFA-CWA Constitution & Bylaws and is within a Local Council President's purview to initiate.

We want to let everyone know we will be publishing something within the next few days. There are always 2 sides, or sometimes more, to every story. Please allow us the opportunity to share ours.

In Unity,  
Joni, Scott and Chasity  
[AFA-CWA Mutual Respect Policy](#)
