COUNCIL 43 ELECTION EDITION

Dear Fellow Flight Attendants:

"The Association of Flight Attendants – Communication Workers of America (AFA-CWA) is the Flight Attendant union organized by Flight Attendants for Flight Attendants. AFA represents nearly 50,000 Flight Attendants at 20 airlines, serving as a voice for Flight Attendants at their workplace, in the industry, in the media and on Capitol Hill. https://www.afacwa.org/about_afa

Democratic elections, with secret ballots, are at the heart of the democratic process. In theory, they legitimize both the elected leaders and the policies they advocate on behalf of the membership or populace... Election procedures are established so that all parties involved are aware of the rules and to ensure fairness, with all candidates required to play by the same rules. Some rules for labor union elections are required by federal law."

At this time, we would like to thank all of the candidates who participated in this cycle's Local Executive Council (LEC) election. Most of us know that running for office is no easy task. Putting one's self out there for the members takes a lot - so thank you candidates for your willingness to serve the membership!

We would especially like to thank you, the Council 43 members. Thank you for being engaged in the process, participating in the many discussions covering various issues and for exercising your right to vote. Regardless of your longevity here at Hawaiian Airlines, you all have an equal voice as AFA members.
