Dear Flight Attendants,

Quarantining Away From Domicile – COVID Exposures

In recent weeks, we have been experiencing an increase of COVID exposures that are forcing crew members to quarantine, for up to 10 days, unexpectedly away from domicile, on the mainland and on the neighbor islands. These guidelines are in accordance with FAA (SAFO) and CDC recommendations.

Please keep in mind when leaving for work, wherever you may be flying, that you are prepared in the event this happens. For example, packing extra clothing, medications, personal need items and money or a credit card, even on neighbor island trips, is essential and a friendly reminder to include as part of your “regular” trip preparations.

As safety professionals we need to be even more prepared in these uncertain times. As always, your AFA Officers or AFA EAP representatives are available should you need assistance while away.

Never Forget – AFA Unity Remembrance Pin

Across the industry we are united. Our September 11th Unity Remembrance Pin was designed in solidarity with the Association of Professional Flight Attendants (APFA) to honor our heroes. AFA and APFA members lost their lives on September 11, 2001, but Flight Attendants across the industry – whether in our unions or not – feel the significance of this day and promise alongside us to never forget.

We welcome all Flight Attendants across the industry to wear this pin representing the crews of all four flights and the bond we have as Flight Attendants. Wear this pin on September 11th and throughout the month of
