Council 43 Volunteer Luncheon, May 2, 2022

May 3, 2022
Council 43 Leadership

Dear Fellow Flight Attendants,

Since the summer of 2014, our mission and priority is to support our Members. While it is a large and oftentimes daunting task, it would not be possible without our volunteers. Over the many years, we have had dozens of volunteers step forward to help us do the important work we do day-in and day-out.

Yesterday was our Council 43's Thank You Luncheon. It was a moment to bring our volunteers and leadership together, to speak to the important work we do and to recognize the many that help us do AFA-CWA work. With their busy work-life schedules, there are many who were unable to join us. Regardless, we believe that it is important for you, our Members, to understand that we are all in this together. After all, our leadership is not just three Local Executive Council officers, it is a team of line Flight Attendants working from home, in the AFA office and out there on the line.

From our early stages in building our Leadership Team, our mission has always been to support our Members. And while there will be those who may not agree on what we do and how we do things, we have always been clear – we are but a phone call, text and/or email away.

So on behalf of our Council 43 Team, thank you. Thank you to those who have stepped forward to volunteer over the many years. Thank you to those who, on a daily basis, encourage, support and uplift one another. We have a wonderful group of Flight Attendants and we are proud to serve you!

Stronger Together, Better Together
