Re: AFA International EAP, Safety and Membership Phone

Dear Flight Attendants,

There has been a major disruption to CWA hardware phone lines, and this has interrupted use of contact numbers for AFA-CWA International office. A replacement phone number has been created to get in contact with AFA International EAP, Membership and Safety Departments. Please save the following number:

**844-232-2228**

Ext. 1 - EAP  
Ext. 2 - Ballot Helpline  
Ext. 3 - Dues and Account information  
Ext. 4 - Aircraft Accident Reporting

If there are any LEC or MEC concerns, our leadership is still available. More information can be found on our [hawaiianafa.org](http://hawaiianafa.org) website.
